DUES: **General Membership \$45.00** **Tennis Membership \$400.00**

A General Membership is defined as an individual, couple, or parent(s) with children up to age 21 (or 25 if enrolled in college) residing in a single residence. To show our appreciation to our volunteer working members who actively serve on at least two committees annually, we will upgrade their general membership to a tennis membership.

A Tennis Membership includes a regular club membership, unlimited access to the tennis courts, and the ability to reserve courts in advance during peak playing times during the summer months. There will be a small hourly fee for quests accompanied by members. Others may rent the tennis courts on an hourly basis. For more information call Cindy Corwith, 631-726-4772.

Please return a check payable to the WMCC with this form in the enclosed envelope.
