Celebrating Our 68th Year of Service to the Water Mill Community

2020

Dear Friends and Neighbors,

The Water Mill Community Club was formed in 1952 when 6.5 acres of land was donated to the Club for a recreation field for Water Mill residents. Since that time, volunteers have donated their time, labor and fundraising abilities to enhance the uses at the fields and buildings. The WMCC park, located south of the railroad tracks between Deerfield Road and Nowedonah Avenue, contains a large Field House, Tennis House with 3 courts, fenced in playground, soccer and baseball fields and a storage building. We also own and maintain the historic 1895 Community House on Montauk Highway. For more Club information, please visit our web site.

Our facilities are a community asset that needs your support. We thank our current members and ask that you renew your membership for 2020. All are welcome and it is not necessary to be a Water Mill resident to become a member.

There are two levels of membership:

General Membership: (\$50) Defined as an individual, couple, or family with children up to age 25 residing together in a single residence. General membership offers the opportunity to participate in club-sponsored events and to enjoy the athletic fields and playground. General members are charged the members rate to rent the club's buildings or fields for private events. Working members, those who contribute their time by actively helping with club events, receive further discounts on rentals and may receive a complementary Tennis Membership.

Tennis Membership: (\$400) Includes the benefits of a general membership, unlimited access to the tennis courts and the ability to reserve courts in advance during the summer months. In addition, the Club is pleased to announce that one court is now lined for use as a pickle ball court. To reserve court time or to verify working member tennis membership status, please call the tennis courts during the season at 631-488-5504.

The membership form printed on the back of this page includes a list of planned club events for 2020. Although it is not necessary to join a committee to become a member, all volunteer support is welcomed and appreciated by the Club. If you are interested in helping with an event, please indicate it on the form and mail it with your dues in the enclosed envelope. The 2020 Calendar of Events will be mailed out as soon as possible.

Thank you,
Pat Sliwinski, Vice-President Membership
